EDUCATION

Recertification credits have been applied in Alberta, British Columbia, New Brunswick, Newfoundland, Nova Scotia, Quebec, and Saskatchewan.

DAY 1 / Business-Focused Training

Day 1 programming consists of business-focused courses covering sales training, networking, and marketing strategies designed to help you and your team reach new KPIs and advance your organization. Day 1 is ideal for managers, owners, and any industry professionals looking to grow your business IQ.

DAY 2 / Technical-Focused Training

Day 2 programming includes top-level technical sessions led by academic and industry experts highlighting the latest in pest control research and control advances. Day 2 is ideal for technicians, managers, and anyone in the pest control industry looking to elevate their control efforts to the next level.

EXHIBITION

The exhibit hall is a one-stop shop for all of your business needs. Shop for new products, network with vendors, and discover the latest technology in the world of pest management.

Who will exhibit at Pest Management Canada 2025?

- Manufacturers and Distributors of Products and Equipment for Pest and Wildlife Control
- General Services and Products for Small Businesses

To learn more about showcasing your company, email Liz Grier at lgrier@pestworld.org.
